Aim:- To assist participants in gaining:-

- Knowledge of several methods of Contraception;
- An understanding of Sexually Transmitted Infections (STI's);
- Knowledge of specialist local support agencies.

Who Should Attend:-

Anyone working (Paid or Voluntary) with people in Brent, especially Teachers; Youth Workers; Health Professionals; Frontline/Reception staff; those working in Faith, Community, Social Care, Criminal Justice settings, etc

By the end of the training, participants will have learned:-

- About the Sexual Health of the Local and National population.
- About various methods of contraception especially those methods recommended for young people.
- About Sexually Transmitted Infections, particularly those most relevant to Young People in Brent.
- About local and national campaigns supporting positive relationships and sexual health
- About the law and best practice guidance relating to sexual health and young people
- A variety of methods for engaging their clients in appropriate relationship and sexual health education programmes and/or support
- How to make referrals to appropriate local and national support services

Before attending this course we request that participants:-

- **Complete and return an application form.**
- Visit :-
www.sexualhealthbrent.org.uk www.nhs.uk/worhtalkingabout
 - Read & bring along any policy your organisation has relating to relationships and sexual health.
