

Have your say on stroke and trauma services in London

Monday 20 April

Dexter House, 2 Royal Mint Court, Tower Hill EC3N 4QN
12pm - 4.30pm

Healthcare for London is consulting on plans to introduce new, additional stroke and major trauma services in London and would like to invite you to an event to discuss the proposals.

The event is an opportunity for patients, carers and voluntary sector organisations to discuss the consultation with clinicians and Healthcare for London representatives, and share your views on the proposals.

The format of the event will include a presentation on the stroke and trauma proposals and an opportunity for questions and answers, followed by smaller breakout sessions to allow for discussion and feedback.

Registration is from 12pm, with a light lunch provided from 12.15pm.

The venue is in the Royal Mint complex opposite the Tower of London and five minutes walk from Tower Hill tube station and Tower Gateway DLR station.

Copies of the consultation document will be available at the event – the document is also available on the Healthcare for London website www.healthcareforlondon.nhs.uk.

RSVP now

Please reply to our invitation by Friday 17 April using the [electronic RSVP service](#) or by calling 020 7932 6063
